- **Revenues increase 13.1% to MEUR 216, outperforming expectations**
- **EBIT climbs 18.3% to MEUR 13.6**
- **EBIT margin improves to 6.3%**

Bielefeld, January 16, 2009 – With the publication of its preliminary figures for 2008, itelligence AG looks back onto its most successful year ever. With revenues of MEUR 216 (previous year: MEUR 190.9), itelligence AG exceeded its forecast range of between MEUR 210 and MEUR 214, with a year-on-year improvement of 13.1%. In the fourth quarter of 2008, revenues amounted to MEUR 61.9 after MEUR 54.9 in the equivalent quarter of the previous year. itelligence thus generated a year-on-year improvement of 12.8% in the period.

Alongside the increase in revenues, itelligence also achieved improvements in earnings figures. In fiscal year 2008, EBIT climbed by 18.3% to MEUR 13.6, up from MEUR 11.5 in the previous year. As scheduled, this resulted in the EBIT margin improving from 6.0% in the previous year to 6.3% in 2008, within the forecast range. In the fourth quarter, an EBIT contribution of MEUR 3.9 was generated (prior-year figure: MEUR 3.7). In the fourth quarter, the EBIT margin was 6.3% (previous year: 6.7%).

itelligence AG thus reached or exceeded all forecasts made for the past fiscal year.

Further figures and details will be published in the Annual Report 2008 on March 19, 2009.
