- **Orders on hand increase by 11.2% year-on-year to MEUR 166.2**

Bielefeld, April 23, 2009 – itelligence AG has made a largely satisfactory start to the financial year 2009, recording revenue growth of 12.7% from MEUR 47.9 in the first quarter of the previous year to MEUR 54.0 in Q1 2009 despite the weak macroeconomic environment. Orders on hand increased by MEUR 16.8 year-on-year to MEUR 166.2 at the end of the first quarter 2009 (Q1 2008: MEUR 149.4), thereby approaching the high level recorded at year-end 2008 (MEUR 168.5).

EBIT also improved significantly in the first quarter of 2009 compared with the same period of the previous year, rising by 31.3% to MEUR 2.1 (Q1 2008: MEUR 1.6). The EBIT margin increased from 3.3% in the first quarter of 2008 to 3.8% in the period under review.

As the global economic outlook remains extremely uncertain, itelligence has opted currently not to issue concrete revenue and earnings forecasts for 2009 as a whole.

Further figures and details can be found in the Quarterly Report 1/2009, which will be published on April 28, 2009.
